

GRACE HOSPITAL  
FOUNDATION

# DONATION FACT SHEET

Your gift to Grace Hospital Foundation directly supports patient care enhancements that would not otherwise be funded by the government, and helps assure that every patient who comes to the Grace has access to the best care possible.

## COVID-19

In response to the global pandemic crisis, we established the COVID-19 Fund. The fund has been used to provide free bedside television, internet and phone service for all patients, and iPads for our dedicated COVID-19 treatment unit to facilitate video interaction with patients, families and care providers. We have also used the fund to support staff needs including meals and free coffee days. We continue to grow the fund so we can be prepared for any future development with this Pandemic.

## Current Project

**Envision Our Grace.** This \$3 million capital campaign will see the complete renovation and expansion of our Diagnostic Imaging Department, adding a second CT scanner, a new SPECT Gamma Camera, the addition of Echocardiogram services and new ultrasound and digital X-Ray machines. Once completed the new department will be more functional for patients and will dramatically increase our capacity for testing.

## Past Projects

- \$6 million to build a new Emergency Department and MRI Suite
- \$2.5 million to build Grace Hospice
- \$1 million to purchase a CT Scanner
- \$1 million to upgrade our General Surgery and Urology Surgery operating room suites

- \$700,000 to build a clinical simulation teaching lab
- \$200,000 for VOICERA staff communication system
- \$150,000 to provide the entire facility with Wi-Fi for patients and visitors

## Equipment

Your support provides around \$250,000 each year for special medical equipment purchases including bladder scanners, wheelchairs, specialized beds, and iPads.

## Research

Your support provides \$10,000 annually for research projects conducted on-site at Grace Hospital. This research has a tangible impact on care at the Grace.

## Programs

Your support provides \$20,000 each year for programs to enhance patient care including Music Therapy and Art at the Bedside through Artists in Healthcare Manitoba. We also support many comfort care programs through our Volunteer Resources Department such as teas for residents of Grace Hospice, Birdfeeders, and the Patient Book Cart.

Please contact the Grace Hospital Foundation at 204-837-0375 if you have any questions or would like to discuss recognition opportunities.
