

GRACE HOSPITAL
FOUNDATION

Trevor Clay

Trevor Clay is a Principal and founding partner of Capital Commercial Real Estate Services Inc. Trevor is an established market leader in commercial brokerage services and has worked on transactions across all asset classes including the sales and leasing of office, industrial, retail and apartment properties. With over 17 years of proven success, Trevor has completed over \$1 billion of commercial property sales and over 5 million square feet of leasing assignments with a primary focus in Winnipeg. Trevor's knowledge of the commercial real estate market has given him an opportunity to connect vendors, purchasers, tenants and landlords on a local and national level.

Through this experience, Trevor has amassed a wealth of experience in commercial brokerage transactions and continually delivers a service level that exceeds his clients' expectations. His success can be attributed to his determination, relationships and his ability to develop and maintain extensive knowledge of an ever-changing real estate market.

Trevor is a co-founding member of the Capital Commercial Investment Services team. This team is a leader in the Manitoba market for the sale of commercial investment properties across all asset classes in single asset and portfolio transactions with a focus on shopping centres, industrial buildings, and apartment complexes. In this capacity, Trevor is a member of Jones Lang LaSalle (JLL) Canadian Capital Markets team on a national level.

Trevor has a strong sense of community and is involved in many local charities and organizations. He is a board member of Manitoba Real Estate Association, a board member of St. John's Ravenscourt Board of Directors and board member on the Grace Hospital Foundation Board. Trevor is a graduate of Princeton University and St. John's Ravenscourt School in Winnipeg.
