

GRACE HOSPITAL
FOUNDATION

Rachel Ferguson

Rachel Ferguson has over 14 years' experience in healthcare leadership. She is a CPA who has a strong passion for quality patient care and building capacity and confidence in healthcare leaders. As the Chief Operating Officer of Grace Hospital, she is responsible for balancing strategic decisions and financial management with a team focused approach to leadership.

Prior to becoming the COO of the Grace Health Campus, Rachel was the COO of Victoria Hospital where she led the site through all of the changes of Clinical Consolidation, Transformation and COVID-19. Previous to this, she was the Chief Administrative Officer for HSC and Grace Hospital where she was responsible for the overall financial management strategies and support services of the hospitals.
