Dr. Ramin Hamedani

Celebrate!

Dr. Ramin Hamedani has been a fixture at Grace Hospital for more than 25 years. Specializing in Internal Medicine with a focus on Cardiology, Dr. Hamedani embodies excellence in clinical practice, and has provided life-saving care to countless patients over the years, with compassion and poise, his hallmarks.

Ever the leader and mentor, Dr. Hamedani has been extensively involved in both undergraduate and graduate level teaching at the Grace, fostering his strong ethics and ideals into a generation of new physicians.

In 2015, he was appointed the Chief Medical Officer, Grace Hospital, a role in which he excelled, bringing not only leadership to the hospital's executive team, but also a personal and hands-on approach to management that saw him here on many late nights. During the depths of the COVID-19 Pandemic, you could routinely see Ramin delivering meals to over-worked staff, and pitching in throughout the facility wherever help was needed.

As a friend to Grace Hospital Foundation, he is beyond compare. An annual major donor, Ramin has set an example for Grace Hospital's physician group on how to give back in support of enhanced patient care. A perennial fixture with his family at the Joe Aiello Bocce Ball Tournament for Grace Hospital, and indeed, at the Grace Gala, Ramin walks the talk and is a participant in, and advocate for, Grace Hospital Foundation's events and activities.

In 2025, Ramin retired as Grace Hospital's Chief Medical Officer. Thankfully, he continues on in his role as a master clinician, providing daily care to the patients at Grace Hospital.

Dr. Ramin Hamedani, we thank you. It is our honour to have you as the 2025 recipient of the Pearl McGonigal Award.
