

YOUR IMPACT

Thank you for your generous gift to Grace Hospital Foundation! Your support helps fund equipment, programs, and projects that go beyond government funding — enhancing patient care, supporting our dedicated staff, and helping make the hospital experience better for patients and families. Here are some of the ways your generosity is making a difference at the Grace.

Dream a Little Dream

Foundation Commitment: \$250,000

Your Impact: Front-line staff know where small changes can make a big difference. Through Dream a Little Dream, staff are invited to identify equipment, programs, and projects that could improve care, enhance the patient experience, or help patients return home sooner. Your support helps bring selected ideas to life.

Compassionate Fund

Annual Foundation Support: \$10,000

Your Impact: Provide essential items — such as clothing, groceries, hygiene products and other daily necessities — to support the dignity and well-being of patients experiencing homelessness.

Comfort Care Programs

Annual Foundation Support: \$20,000

Your Impact: Enrich the hospital experience through programs like music therapy, pet therapy, daily newspapers, and a mobile book cart.

Staff Appreciation

Annual Foundation Support: \$40,000

Your Impact: Celebrate and uplift our dedicated staff with appreciation activities at Grace Hospital and Access Winnipeg West.
